

JAK HIKIN
(29.03.04 to 19.2.19)

Trip to the beach at Cleethorpes

Jak started at Holly House on the 15th June 2015 in Year 6. Over the next three years, we got to know him very well, both in school and on residence. It took a while for him to settle in and get used to the school routine, but once he knew what to expect, he became a great ambassador for Holly House. He made excellent contributions to Artwork around the school and was involved in the setting-up of the Lego Room which will now be named in his honour. In September 2018 he moved back to mainstream education at Outwood Academy as a Year 10 pupil. He will be greatly missed by staff and pupils alike

Iain Williams – Head Teacher
